**ANNOTATION**

**Tulyayev V. V. Organizational and pedagogical conditions for preparation of senior pupils for professional self-determination at specialized general education art institutions.** - Manuscript.

Dissertation for gaining the scientific degree of Candidate of Pedagogy according in specialty 13.00.07 - the theory and methods of upbringing. - Institute of Upbringing Problems, Academy of Pedagogical Sciences of Ukraine, Kyiv, 2008.

This work represents theoretical generalization and new solution of the problem of preparation of senior pupils to professional self-determination in the field of artistic activities that consists in overcoming of controversy between existing educational conditions of preparation process at specialized educational institutions indicated above, and current professional requirements. Developed organizational and pedagogical conditions allow familiarization with modern artistic specialties, determination, development and comparison of professionally significant qualities of a pupil with requirements existing the employment market. Essence consists in coordination of "Artistic Culture", "Composition", "Computer Graphics" programs and conducting on professional tests on their basis, with regard to current professional requirements and their application to special computer exercises.

*Key words:* professional self-determination of senior pupils, organizational and pedagogical conditions, field of artistic activities, specialized general education art institutions, computer graphics.
