Finalistas de Infomatrix edición 2021:

Es para mí un gusto darles la bienvenida a la final mundial de Infomatrix en su edición 2021 sede Guadalajara online, les deseo mucho éxito a todos aquellos jóvenes que se atrevieron a poner de manifiesto su capacidad de innovación y creatividad sometiendo a concurso sus proyectos e ideas, les felicito por estar dentro de los 36 equipos finalistas de 1500 equipos participantes que los sitúa ya como ganadores, este logro es motivo de orgullo para ustedes, su familia y entrenadores.

Felicito también a SOLACYT por su ardua labor, que desde el año 2007 a través de este evento de infomatrix, se ha dado a la tarea de manera exitosa, de incentivar a los jóvenes en llevar sus proyectos escolares a un siguiente nivel, presentarlos a la comunidad y a buscar su aplicación en el entorno social para ser entes de cambio, innovación y emprendimiento.

Los invito a seguir participando en experiencias tan valiosas como esta y con gusto los esperamos en la edición presencial 2022, aquí en su casa, la Universidad Autónoma de Guadalajara.
